Program	Relations industrielles
University	Université de Montréal

Expected completion date of the undergraduate degree

YYYY/MM/DD

2020/12/31

Planned affiliation with the Scholarship

(If different)

Program	Mathématiques
University	McGill University

Equity and designated groups

Four groups are designated by the Employment Equity Act in Canada: Women, Aboriginal peoples, Members of visible minorities and Persons with disabilities. Members of these groups are under-represented in some fields, including several ones related data science.

Details are available at <https://www.canada.ca/en/public-service-commission/jobs/services/gc-jobs/employment-equity.html>

Note that this question is optional and its answer will be shared with the reviewers. For equal applications, preference will be given to a qualified candidate from one of the designated and under-represented research groups. We, therefore, invite eligible candidates to identify themselves as belonging to one or more categories of under-represented groups.

Do you belong to one of the designated groups?

Yes

Internship Supervisor

Last Name	Doe
First Name	John
E-mail	john.doe@ivado.ca
Status at the University	Full Professor
University	*McGill University
Department	Mathématiques

Member of the

*Professors from the University of Alberta and University McGill can be supervisors, provided that they are full members of one of IVADO's research groups

Responses Selected:

CRM

Potential Other Participants

Do you have other potential participants?

Responses Selected:

No
