Current Affiliation

Program	Neuroscience
University	Université de Montréal

Status

Postdoc

Completion date of the PhD (actual or expected)

YYYY/MM/DD

2020/12/31

PhD supervisor

Last Name	Mouse
First name	Mickey

Planned Affiliation with the Scholarship

Program	Neuroscience
University	McGill University

Is your PhD main affiliation outside Quebec?

Yes

Equity and designated groups

Four groups are designated by the Employment Equity Act in Canada: Women, Aboriginal peoples, Members of visible minorities and Persons with disabilities. Members of these groups are under-represented in some fields, including several ones related data science.

Details are available at <https://www.canada.ca/en/public-service-commission/jobs/services/gc-jobs/employment-equity.html>

Note that this question is optional and its answer will be shared with the reviewers. For equal applications, preference will be given to a qualified candidate from one of the designated and under-represented research groups. We, therefore, invite eligible candidates to identify themselves as belonging to one or more categories of under-represented groups.

Do you belong to one of the designated groups?

Prefer not to answer

Keeping in touch

Do you want to receive from IVADO or our partners information unrelated to this competition, like other scholarship programs, job postings, scientific announcements, etc.?

Yes

Postdoctoral Supervisor

Last Name	L'ourson
First Name	Winnie
E-mail	winnie@test.ca
Status at the University	Full Professor
University	Université de Montréal
Department	Mathématiques

Supervisor membership

*Professors from the University of Alberta and University McGill can be supervisors, provided that they are full members of one of IVADO's research groups

Responses Selected:

MILA

CIRRELT

Potential Other Participants

Do you have other potential participants?

Responses Selected:

Co-Supervisor

Partner(s) - (industrial partner, other academic lab, etc.)

Co-supervisor

Last Name	Popeye
First Name	Olive
E-mail	popeye.olive@test.ca
Status at the University	Professor
University	U. Ottawa
Department	Administration

Co-supervisor membership

Responses Selected:

Machine learning

Application field

(if applicable)

Responses Selected:

Energy

Does this project require ethics certification?

Yes

Other funding during your postdoc

IVADO funding for postdoc cannot be held concurrently with other NSERC, SSHRC, CIHR or IVADO scholarships. If you are successful in our competition and also in a competition from one of the organizations mentioned, you will have to choose one scholarship or the other, but not both.

In general, we do not encourage the accumulation of scholarships from other sources of funding, but we do not prohibit it either, as it may be justified in some cases.

Will you receive any other funding during your postdoc or have you applied for other competitions ?

If so, please specify which scholarship/funding or tell us about the competitions you applied applied to FRQ

Participation in IVADO's community and activities

This section will not affect your application. Your answers will only be used for statistical purposes.

Have you ever received an IVADO scholarship, or participated in IVADO's activities?

Yes

If so, please specify which scholarship (type of scholarship and dates of award) and which activities (titles, dates...)
